

Enhancement of Ang Mo Kio Town Garden West

Ang Mo Kio Town Garden West will be rejuvenated with new community spaces, activity nodes and enhanced landscaping.

New therapeutic garden

A therapeutic garden will be added to integrate with existing community spaces.

New activity spaces at the peak of the hill

The existing secondary forest will be conserved, while a variety of activity nodes will be sensitively introduced to create spaces for residents to interact and bond.

Re-creation of lily pond at base of hill

A lily pond will be re-created to increase biodiversity richness. Residents can also learn about and appreciate the diverse habitat types found within the garden.

Redevelopment of existing playground and new nature playgarden

The existing playground near McDonald's will be upgraded. A nature playgarden will also be created so that children can get connected with the natural environment.

宏茂桥西公园将修建新的社区空间、活动节点，景观也将得到提升。

Taman Barat Bandar Ang Mo Kio akan disegarkan dengan ruang komuniti, dan zon aktiviti yang baharu serta landskap yang dipertingkatkan.
