

Enhancing Connections

A Rest area and bicycle parking near Blk 116

Residents can walk, cycle and ride around the town more easily with the various transport and connectivity enhancements in Bukit Merah.

New MRT stations

Residents can look forward to the opening of Keppel & Cantonment stations on the Circle Line in 2026 that will close the loop to Marina Bay station, bringing greater convenience to the residents and commuters in Bukit Merah.

Improved Walking & Cycling Network

A comprehensive network of park connectors and cycling paths will be introduced in Bukit Merah, bringing better accessibility and convenience for travelling within the town. The walking and cycling experience will also be enhanced with improved flooring and lush landscaping for key connections in the town.

What Bukit Merah Residents said:

Add more cycling paths to increase safety for pedestrians and improve connectivity in the town

New cycling path for better connectivity

B Nodal space at the foot of Mount Faber Park to be enhanced

Enhancing Henderson Road

The route along Henderson Road is a key north-south spine in Bukit Merah that connects between the Alexandra Canal and the Greater Southern Waterfront. Nodal spaces with amenities such as seating and enhanced landscaping will be introduced to enhance this key connection.

C New natureway to be introduced along Henderson Road

居民期待在2026年開通新地鐵站，以完成在車城中一個完整的地鐵行，增加交通的便利。
