Greening Our Estates

Bukit Merah is currently well-served by the various park spaces including Mount Faber Park and Telok Blangah Hill Park. In addition to the current extensive green provision, new parks will be introduced and existing parks will be upgraded, providing more recreational spaces for all to enjoy.

New Parks Near Homes

Residents can look forward to more parks and recreational facilities closer to your doorstep with the upcoming housing developments in Bukit Merah, including the new housing estate at the former Keppel golf course.

At the upcoming Alexandra Vale BTO development, garden decks are terraced and seamlessly weaved with the linear park which hosts a variety of multi-generational community spaces that encourage active and healthy lifestyle.
