Active Public Spaces in Bukit Merah Town Centre

A Enhancements to Pedestrian Malls

The pedestrian malls will be upgraded with new pocket spaces for play, rest and interaction, while incorporating heritage elements to give residents and visitors a better understanding of Bukit Merah's history. The overall walking and shopping experience will also be enhanced with more seating, lush landscaping, new flooring treatment and barrier-free accessibility.

B New Sheltered Town Plaza

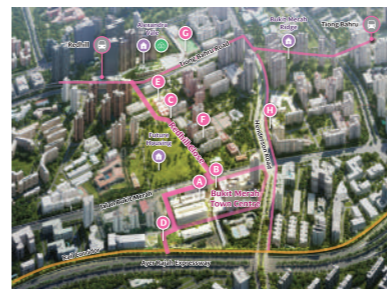

The existing lower plaza will be given a facelift with a new shelter and enhanced amphitheatre seating, flooring, and landscaping, providing a vibrant and conducive space for community events and activities!

New Nexus of Bukit Merah

The heart of Bukit Merah is envisioned as a vibrant commercial and transport nexus which comprises the Bukit Merah Town Centre, Tiong Bahru Plaza and Redhill Lane Neighbourhood Centre (NC). Under ROH, Bukit Merah Town Centre will be refreshed for the community and the key nodes and connections between these three hubs will be enhanced.

Community nodes will be introduced along Redhill Close and Henderson Road:
