

REVITALISING FARRER ROAD ESTATE

Rejuvenating Our Neighbourhoods for All to Enjoy

Farrer Road Estate's neighbourhood centre, public spaces and park will see upgraded facilities that support residents' physical, mental and social well-being.

Neighbourhood Centres Refreshed

- More greenery to provide shade and enhance residents' well-being
- Additional seatings to facilitate community bonding
- New fitness facilities and bicycle parking to encourage a healthy lifestyle

New Parks

- New senior-friendly facilities to promote physical wellness
- Create a tranquil environment for mental relaxation amidst greenery

Empress Market and Food Centre

A new 3G playground, fitness corner and new pavings will be introduced with enhanced landscaping.

Communal Space at Queen's Road

Communal spaces at Queen's Road will be enlivened with new play facilities for all generations to enjoy.

King's Road Park

The new King's Road Park by NHKs will have facilities such as a dog run, elderly-friendly fitness equipment and a playground to cater to different community needs. Naturalistic planting around the park will not only enhance biodiversity but also provide a tranquil environment for residents to enjoy.

Cherished Memories

Community Projects

Residents will have the opportunity to co-create captivating murals near their homes, that will evoke cherished memories of the past. These murals could also facilitate wayfinding for people of all ages.

Wayfinding murals co-created with residents at Stirling View precinct.

Seen these murals around the neighbourhood? They were co-created with residents like yourself!

Converting the roof deck of Block 78 Commonwealth Ave into a gardening hub, with Singapore's first rooftop art inspired by the neighbourhood's hikka heritage.

Have Ideas For other ground-up community projects?
