

# Rejuvenation of Neighbourhood Centres

Completing from 2H2016 Onwards

The HDB Neighbourhood Centres (NCs) in Bedok town are currently under various stages of design and implementation. This exhibition features two of the NCs i.e. Fengshan NC and Chai Chee NC. The plans for the remaining NCs will be released when ready.

Upon completion, residents and visitors can look forward to relax or participate in neighbourly activities in the refreshing and attractive public spaces. These improvement works will benefit both the residents and retailers.
