

LINK up for Better Connectivity

Getting from place to place in East Coast
is about to become a journey of great enjoyment!

With a new seamless pedestrian / cycling network and
MRT stations along the Downtown Line 3 (DTL 3)
network, East Coast has never been more connected,
fun and accessible!

Cycling Connectivity

A Seamless Cycling Experience

A comprehensive cycling network will be introduced in phases within Bedok Town. With the dedicated cycling paths, residents will have easy access to MRT stations, major employment areas, parks, schools and neighbourhood centres.

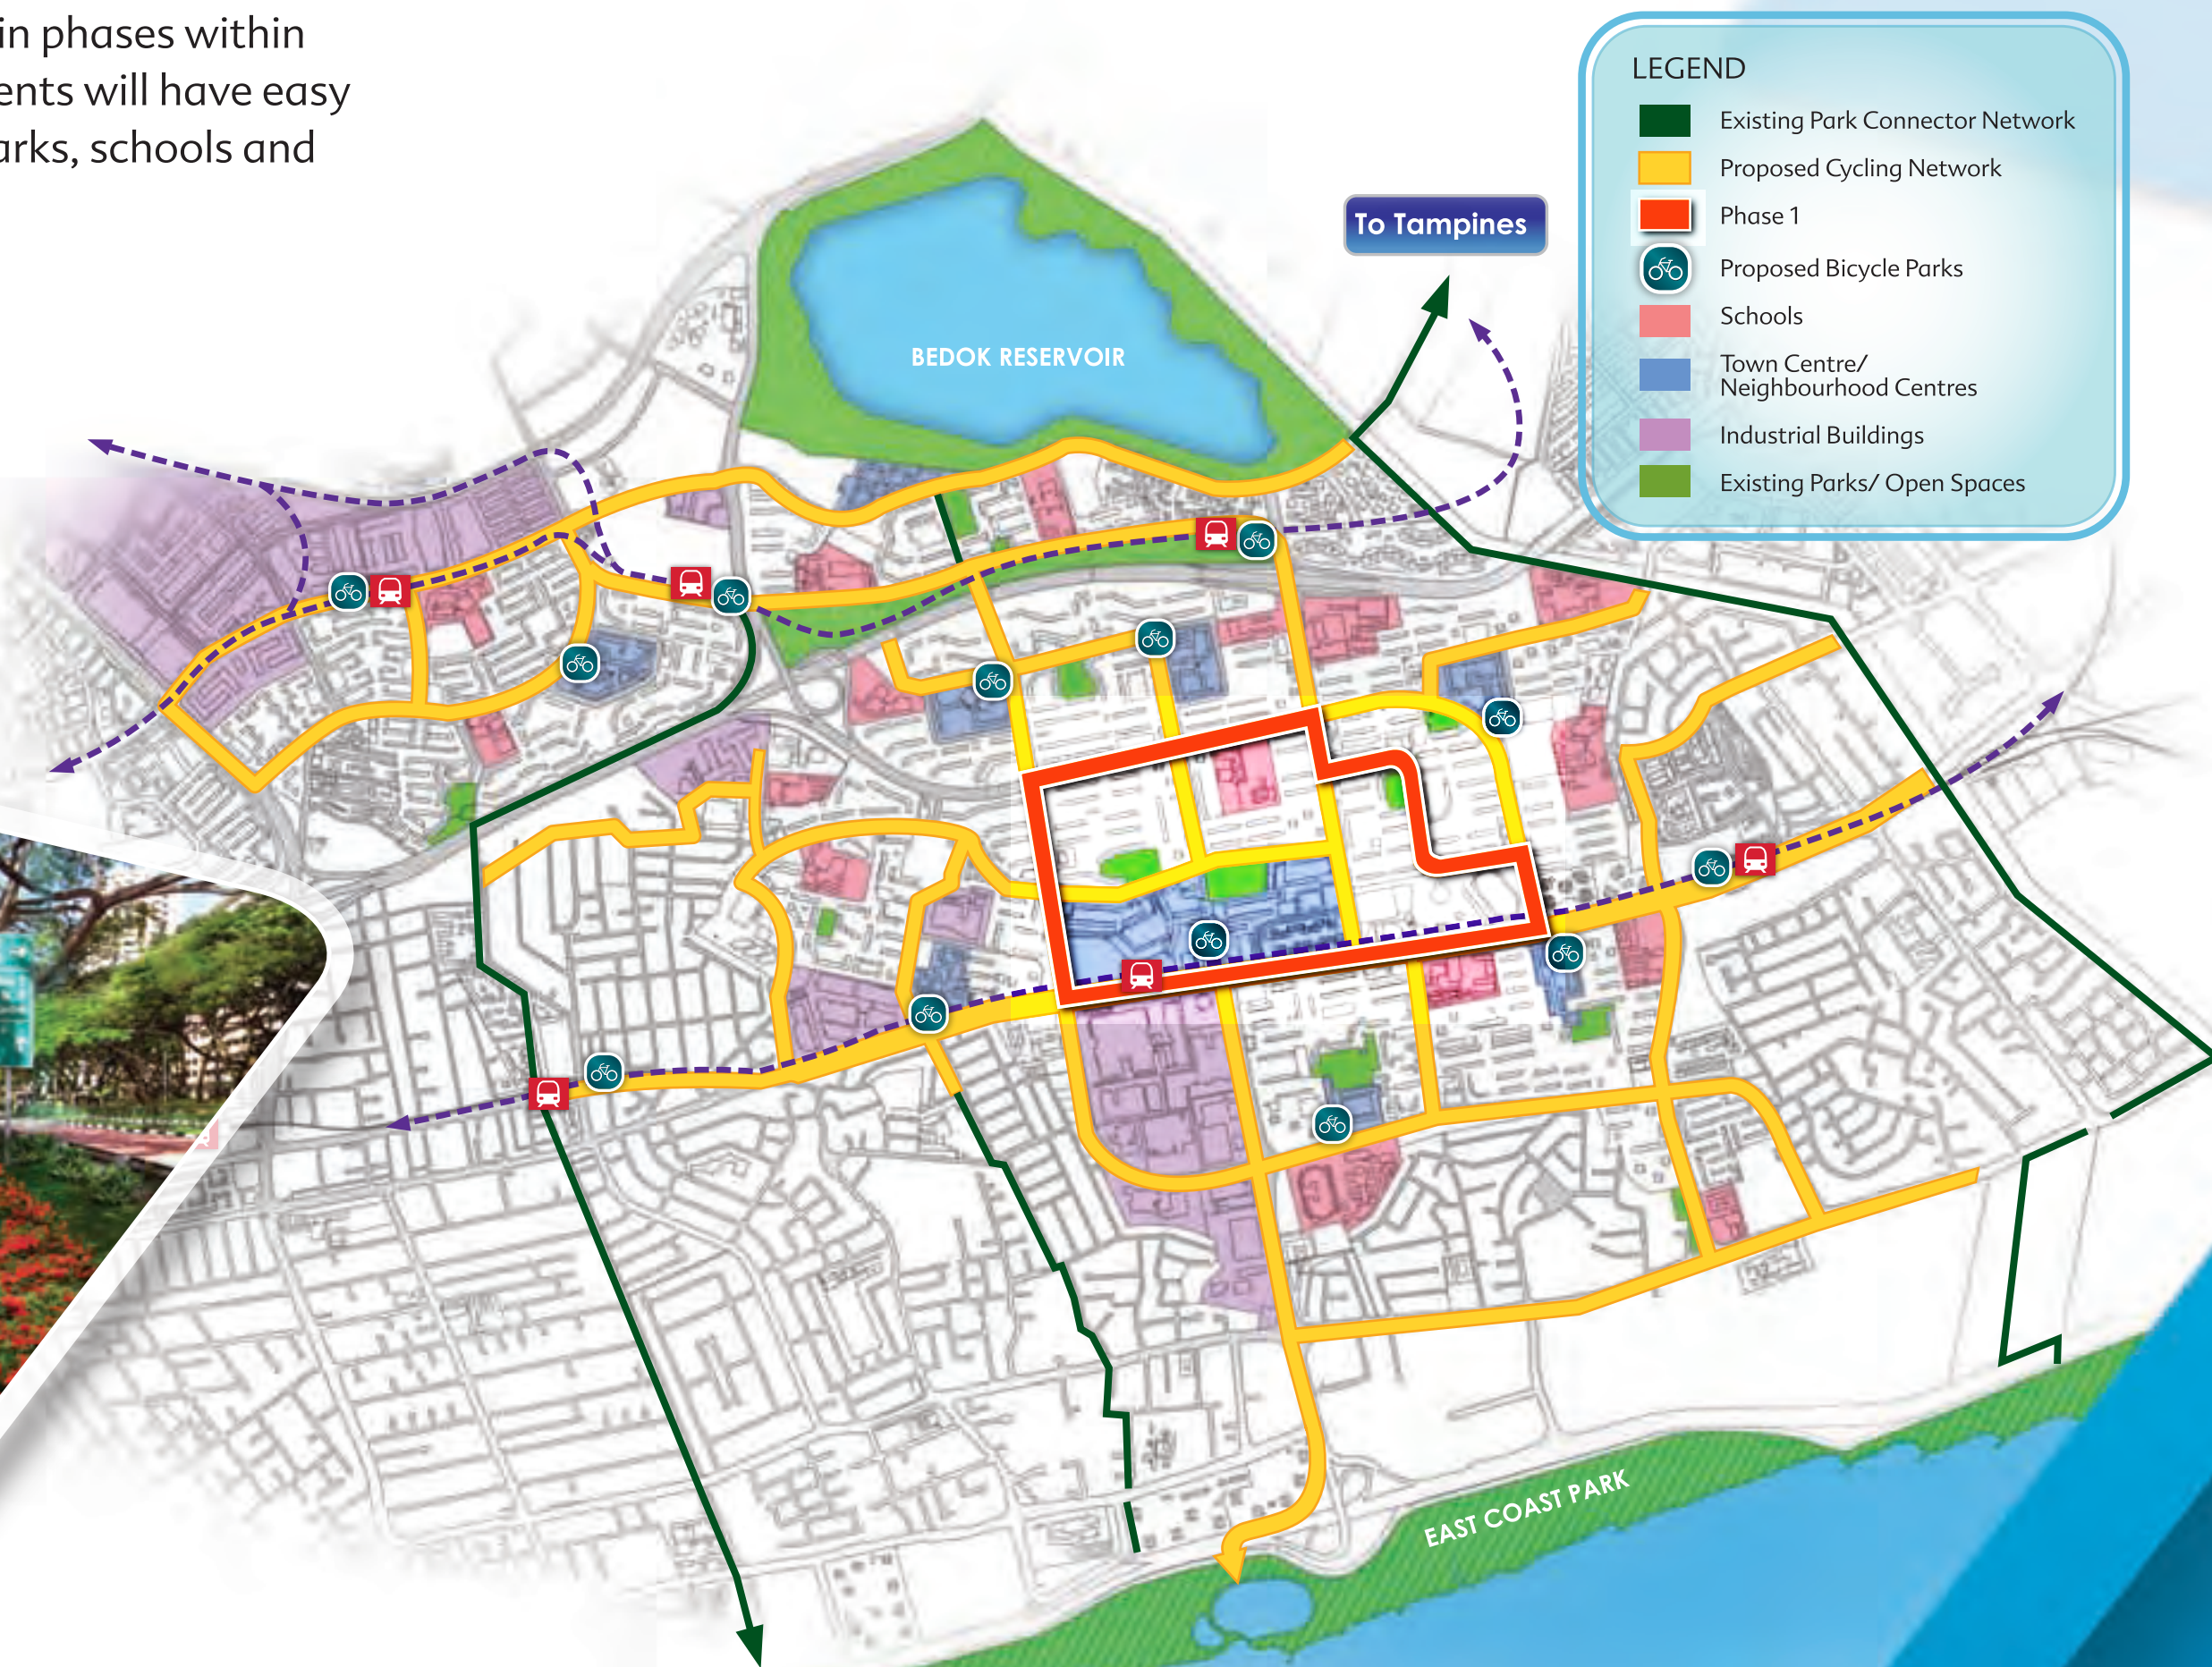

Before

After

Proposed cycling route along Bedok North Road
(This route is tentative, subject to review)

* The cycling routes and bicycle parks are indicative, subject to review and further refinement.
