Yishun Park

3 Yishun Park

Bounded by Yishun Avenue 4, Yishun Central, Yishun Avenue 11 and Yishun Ring Road

This park used to be part of a kampong called Chye Kay Village, which had many plantations and fruit orchards. Today you still see rubber, jackfruit, chempedak, bread fruit, rambutan and even durian trees in the park.

Lower Seletar Reservoir

4 Lower Seletar Reservoir

In the early 19th Century, Chinese planters travelled up rivers like the Seletar River to set up gambier and pepper farms. The Seletar River was dammed up by PUB to construct the Lower Seletar Reservoir, which was completed in 1986.
