

SOCIAL WELL-BEING

Through shared spaces, you can forge close ties and meaningful relationships within your community, building a sense of belonging and togetherness.

Providing a variety of community spaces

Enhancing facilities to enable wellness choices

Beyond serving commercial needs, new Neighbourhood Centres are

A wide range of vibrant social and community spaces are provided to allow you to meet and interact with your neighbours and foster closer bonds.

A wide range of vibrant social and community spaces are provided to allow you to meet and interact with your neighbours and foster closer bonds.
