

**RAJAH
RESIDENCES**

**HDB'S SALES LAUNCH
OCTOBER 2023**

BTOgether

RAJAH RESIDENCES

Bounded by Jalan Rajah and Kim Keat Road, Rajah Residences comprises 2 residential blocks ranging from 32 to 40 storeys, where 739 units of 2-room Flexi and 4-room flats are offered. Nestled amongst a residential neighbourhood, the name 'Rajah Residences' reflects its location and exudes a warm sense of home.

Residents can enjoy the lush greenery at the landscaped spaces within the project, and make use of facilities such as the children's playgrounds and fitness stations for adults and the elderly. The nearby Sungei Whampoa and Park Connector offer recreation spaces for a jog or relaxing stroll. A roof garden is located above the Multi-Storey Car Park (MSCP) where neighbours can mingle and interact with each other. Amenities for daily needs such as a supermarket, eating house, and preschool, are located within the project.

Please refer to the site plan for the facilities provided in the project. Facilities in this project will be accessible by the public.

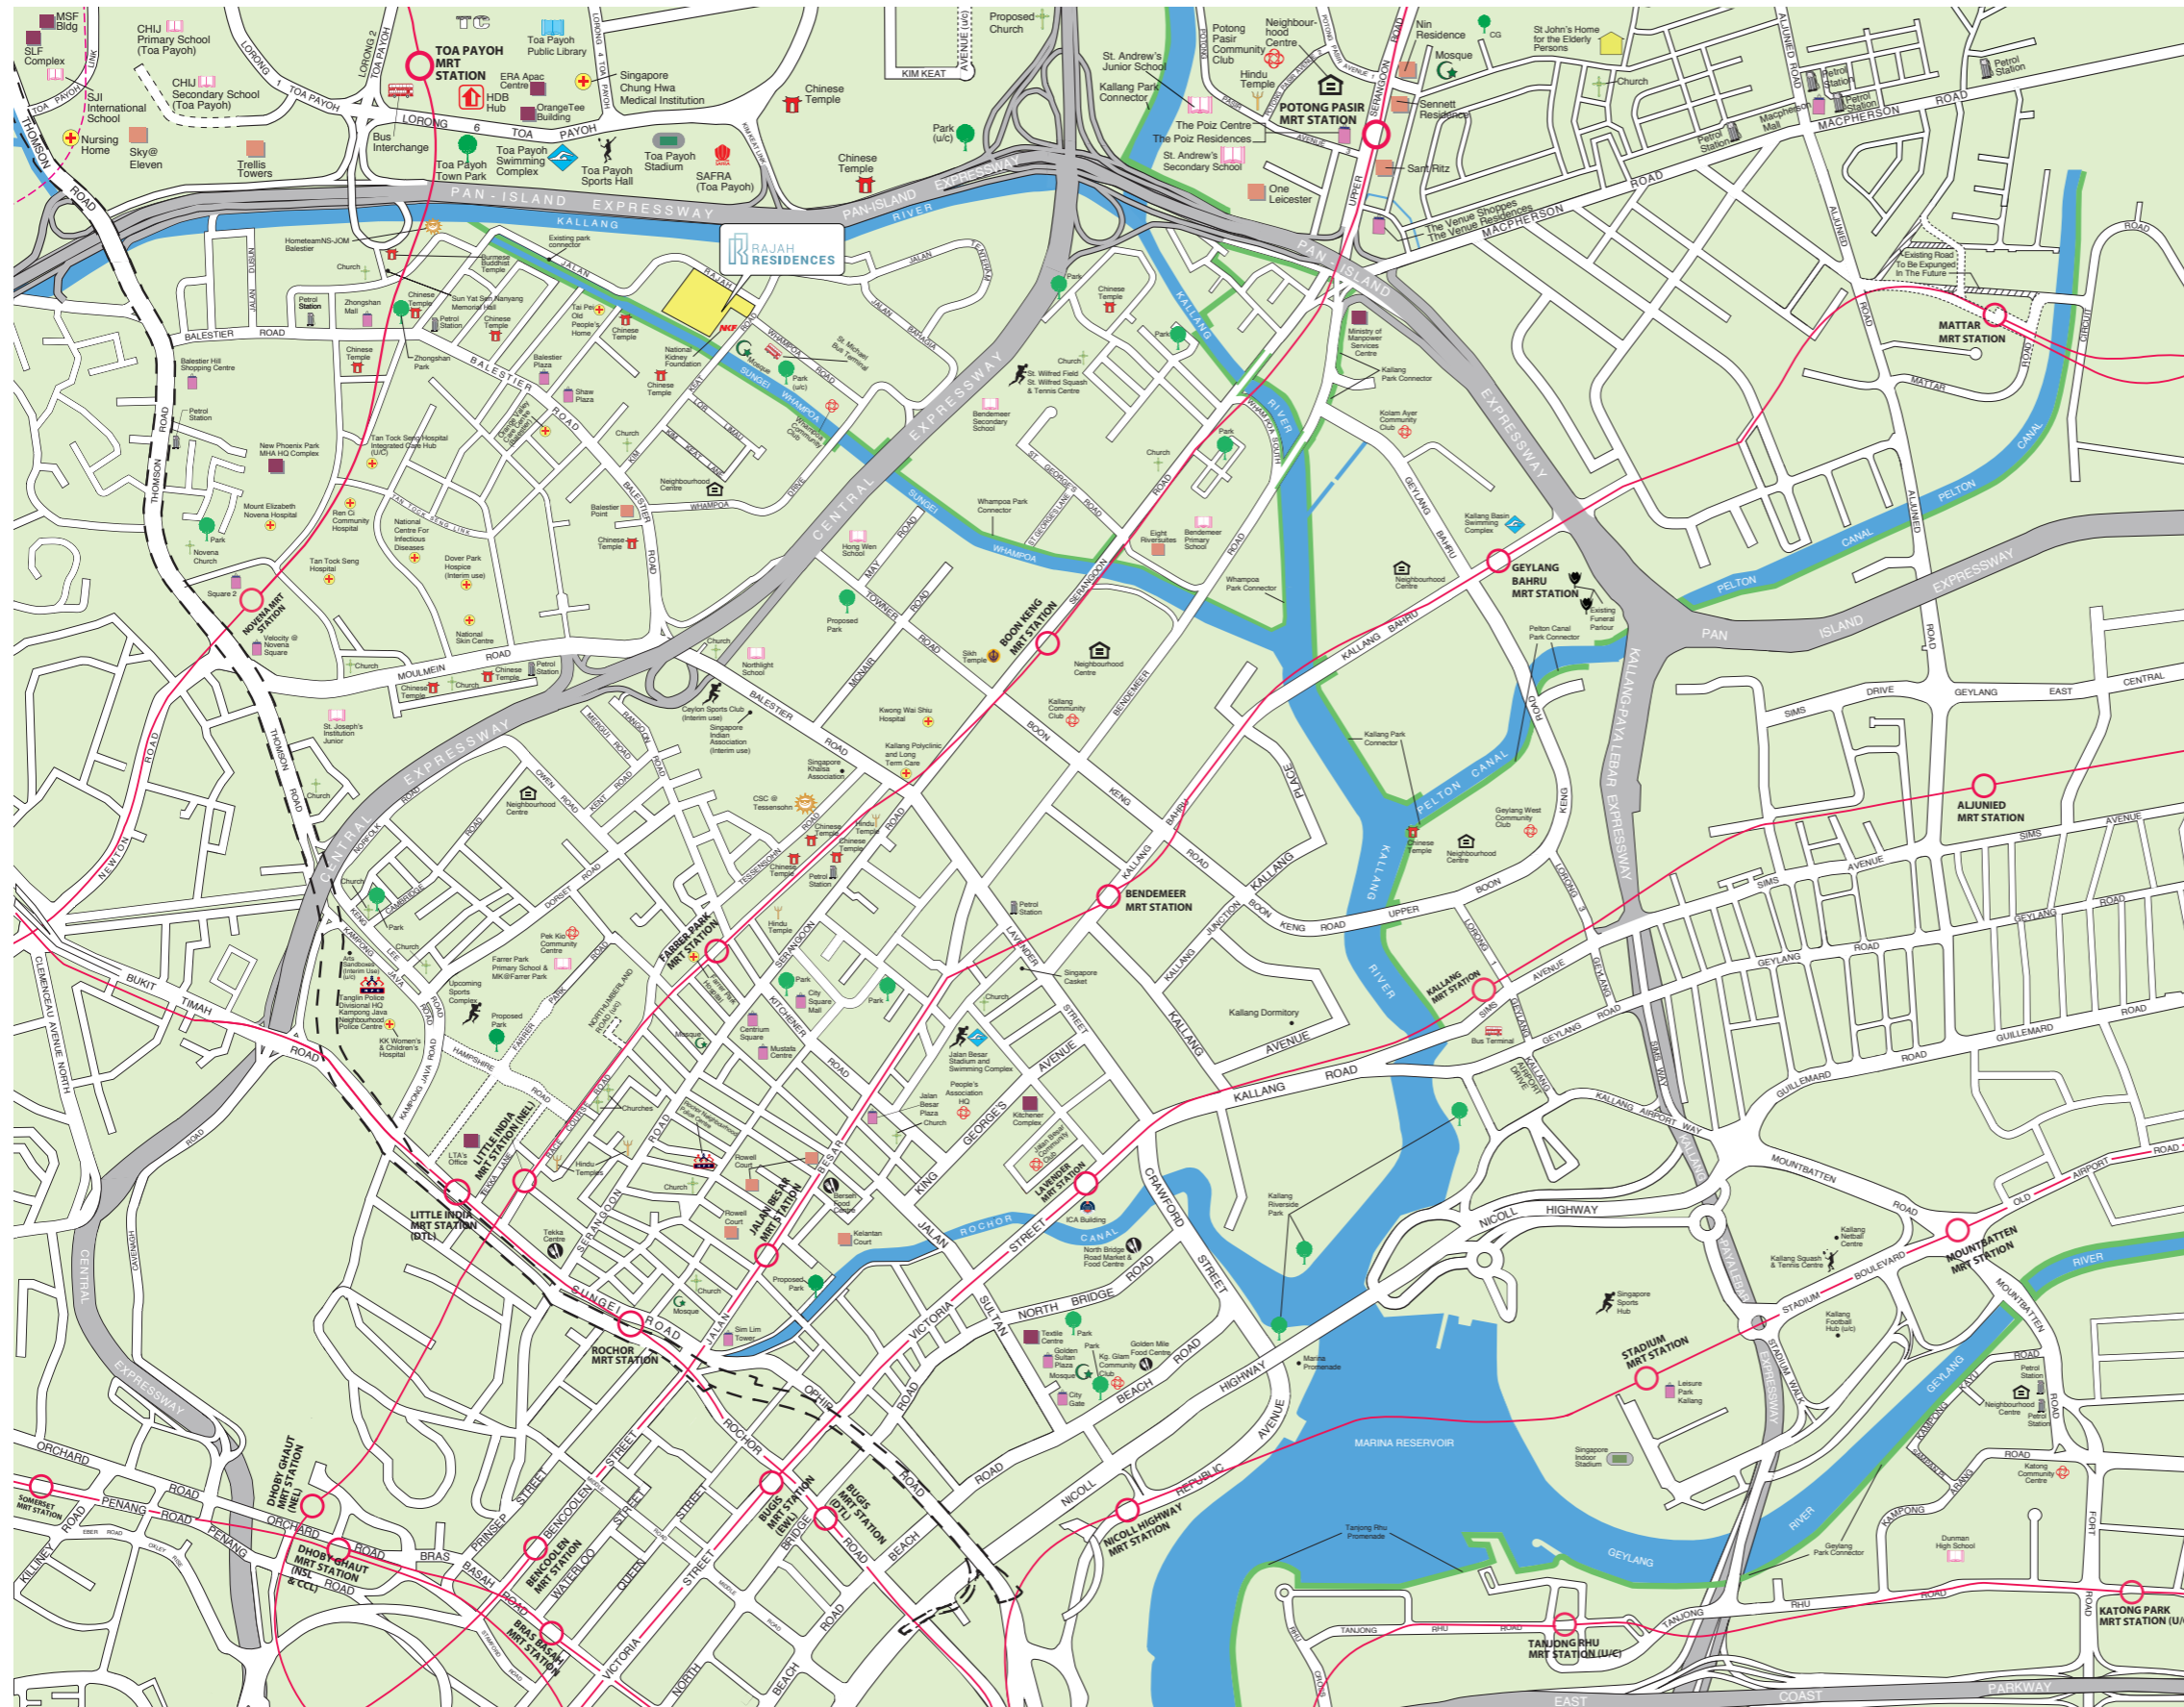

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are indicative only. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

KALLANG/ WHAMPOA

- MRT Line & Station
- (u/c) Under Construction
- North-South Corridor (NSC) (u/c)
- MOE Kindergarten
- Under Construction/Future Road

Notes:

1. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are indicative only, and are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. The developments and facilities shown (whether existing or proposed) may:
 - a. Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - (i) Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - (ii) Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - b. Be used as temporary construction sites by the relevant authorities.
3. In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Rajah Residences will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

SEPARATE CHUTES FOR RECYCLABLE WASTE

BICYCLE STANDS

ABC WATERS DESIGN FEATURES

SMART SOLUTIONS

Rajah Residences will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered covered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Residents will be served by bus services, the St. Michael Bus Terminal, and the Toa Payoh MRT Station. Learn more about transport connectivity in this town using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltagov/Home/PDF/MTM.pdf>.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

 - Future amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, and day activity centres);
 - Commercial facilities (such as shops and eating houses);
 - Mechanical and electrical rooms; and
 - Such other facilities as we deem fit.
- 11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want before your flat selection appointment. The cost of the OCS items will be added to the selling price of the selected flat.

All 2-room Flexi flats come with:

- Floor finishes in the bathroom, household shelter, and kitchen
- Wall tiles in bathroom and kitchen
- Sliding partition/ door for bedroom, folding bathroom door
- Water closet suite in the bathroom

Grab bars will be installed for all short-lease flats to assist elderly buyers in moving around the flats

FOR ALL 2-ROOM FLEXI FLATS

PACKAGE 1

- Flooring in the living/ dining room and bedroom
- Sliding partition, separating the living room and bedroom

(please refer to the flooring and furnished floor plans of your selected project)

PACKAGE 2

- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

Aug 2022

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY

PACKAGE 3 offers elderly buyers the convenience of having a flat in move-in condition. It comprises:

ELDERLY-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

- Folding door at the flexible space in the 2-room Flexi (Type 2) flats

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

Buyers who opt for Package 3 must select Package 1.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

OPTIONAL COMPONENT SCHEME (3-ROOM AND BIGGER FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want before your flat selection appointment. The cost of the OCS item will be added to the selling price of the selected flat.

These flats come with:

- floor finishes in the bathrooms, household shelter, kitchen, and service yard
- wall tiles in the bathrooms and kitchen
- water closet suite in each bathroom

YOU CAN CHOOSE TO HAVE THE FOLLOWING ITEMS INSTALLED IN YOUR SELECTED FLAT:

- Floor finishes for living/ dining room and bedrooms
- Internal doors + sanitary fittings
 - wash basin with tap mixer
 - shower set with bath/ shower mixer

Wash basin with tap mixer in attached bathroom

Wash basin with tap mixer

Handheld shower set with bath/ shower mixer

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.
