

TENTERAM
VANTAGE

**HDB'S SALES LAUNCH
OCTOBER 2023**

BTOgether

TENTERAM VANTAGE

Located at Jalan Tenteram and along the Kallang River, Tenteram Vantage comprises 4 residential blocks ranging from 30 to 32 storeys, where 1,040 units of 3- and 4-room flats are offered. The name references these prominent and tall residential blocks.

Tenteram Vantage features lush greenery and open spaces with facilities such as children's playgrounds and fitness stations for adults and elderly. Residents can unwind by taking a relaxing stroll along the nearby Kallang River and Park Connectors. The roof garden above the Multi-Storey Car Park (MSCP) offers opportunities for neighbourly interaction, while a preschool and resident's network centre are conveniently located within the project.

Please refer to the site plan for the facilities provided in the project. Facilities in this project will be accessible by the public.

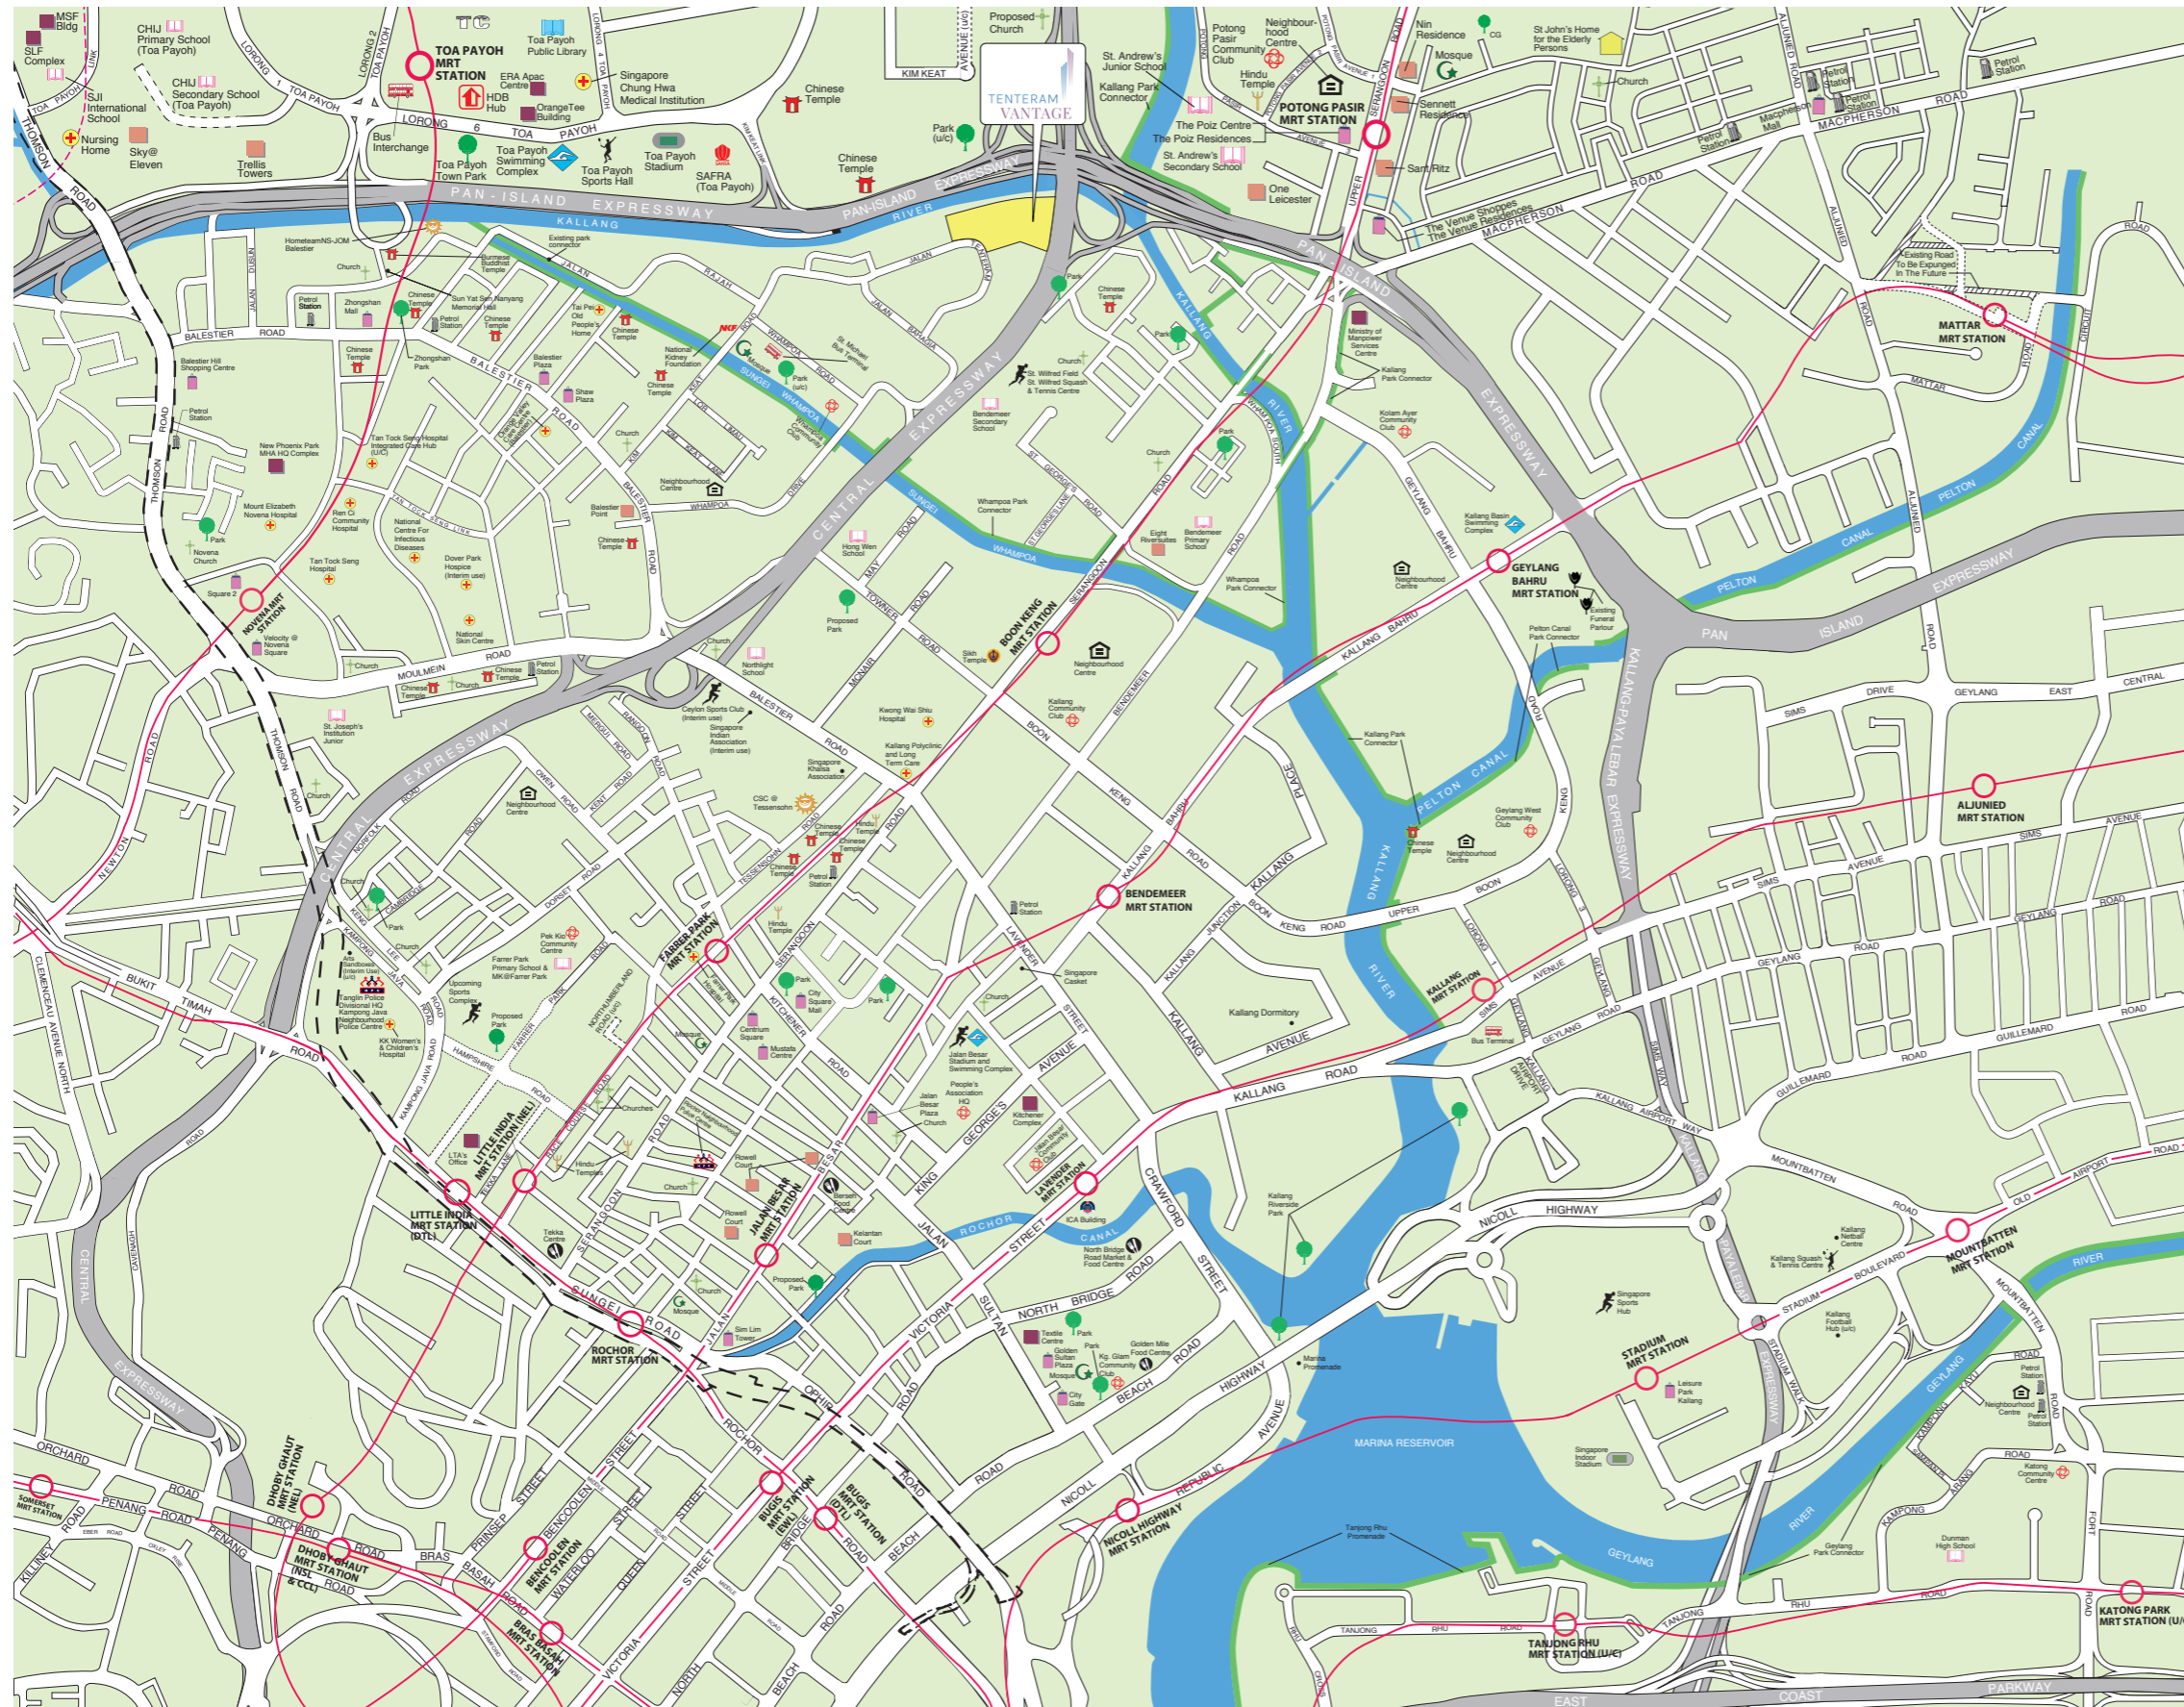

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are indicative only. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.
