

Bayshore Palms

**HDB'S SALES LAUNCH
OCTOBER 2024**

BTOgether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

BAYSHORE PALMS

Bayshore Palms is one of the first 2 Build-To-Order projects launched in the new Bayshore estate in Bedok. Located along Bayshore Drive, the project comprises 5 residential blocks ranging from 7 to 21 storeys in height, providing 710 units of 2-room Flexi and 4-room flats. These flats will be offered as Plus flats under the new flat classification (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>). 2 of the blocks will house an additional 40 units of rental flats.

Inspired by its proximity to East Coast Park, Bayshore Palms is designed with imageries of palm trees, boats, and sail-like forms to reflect an idyllic waterside living concept. This feature pays homage to the area's history, where coconut and nipah palms once dominated the landscape, and fishing vessels used to line the sea. To optimise views toward the parks, some of the 4-room flats at Bayshore Palms will also be provided with full-height windows.

Residents will have access to various amenities within the project. A 2-storey social and commercial block, including an eating house and a preschool, will be provided at Bayshore Palms. Additional shops will also be provided at the 1st storey of Blk 916B. The project also features a variety of recreational and communal spaces designed to promote residents' well-being. These include 3-Generation (3G) playgrounds located on the ground floor of the project, and at the roof garden atop the 2-storey social and commercial block. Sky terraces and roof gardens at the 9th storey of 2 of the residential blocks provide ideal spots for residents to mingle or unwind. Another roof garden atop the Multi-Storey Car Park (MSCP) will include a fitness corner, community garden, and an open lawn.

For more details on the facilities provided in Bayshore Palms, please refer to the site plan. Facilities in this project will be accessible by the public.

ABOUT BAYSHORE ESTATE IN BEDOK TOWN

3 hectares of new park spaces will be provided in the Bayshore estate for residents to enjoy leisure and play spaces. The new park spaces will feature a heritage trail, highlighting the heritage of the old coastline. While planned as an extension of Bedok Town, Bayshore will offer a distinctive living experience for future residents with its proximity to the parks and waters. With new parks and green spaces, future residents will be able to enjoy a myriad of recreational spaces near their homes. A heritage trail, featuring elements such as the seawalls that mark the old coastline are integrated within the park.

A network of cycling and walking paths lined with greenery will be developed throughout the Bayshore estate, offering a pleasant cycling and walking environment for cyclists and pedestrians. These paths will connect to the wider cycling network in and beyond Bedok, including the Round Island Route and the upcoming central green corridor linking East Coast Park to Changi Beach. A new street called Bayshore Drive will be the main thoroughfare of the estate, featuring a variety of amenities such as shops, eateries, supermarkets, and social communal facilities. Sports and recreational facilities, as well as resting spots, will also be provided along the thoroughfare. A 400-metre section of Bayshore Drive will be designated as a bus-only Transit Priority Corridor (TPC), featuring footpaths, dedicated cycling paths, and sheltered pavements along both sides to ensure a safer and more seamless commuting experience.

A new integrated development connected to the future Bedok South MRT station and a new bus interchange will also be built, providing residential, retail, and dining options. The integrated development will offer added convenience for residents.

Beyond the Bayshore estate, the nearby East Coast Park provides a range of recreational and exercise options. Residents can enjoy local hawker fare at East Coast Lagoon Food Village and East Coast Seafood Centre. For more dining and shopping options, residents can head to Bedok Town Centre, or visit Where2Shop@HDB at <https://www.hdb.gov.sg/cs/infoweb/residential/where2shop/explore/bedok> to find more heartland shops in the town. Recreational facilities such as Bedok Swimming Complex and the Bedok Public Library are also conveniently located within Heartbeat@Bedok. For more community activities nearby, Siglap Community Club offers facilities and events for residents to participate in. For parents with school-going children, schools nearby include Temasek Primary School and Temasek Secondary School.

- Notes:**
1. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
 2. Proposed Place of Worship includes examples such as Church, Mosque, Chinese Temple, Hindu Temple, etc.
 3. Proposed Civic & Community Institution includes examples such as Community Centre/Club, Association, etc.
 4. Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and Eldercare Facilities, etc.
 5. The developments and facilities shown (whether existing or proposed) may:
 - a. Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - (i) Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - (ii) Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - b. Be used as temporary construction sites by the relevant authorities.
 6. To support the development of key infrastructure, temporary worker dormitories may be set up near residential areas by relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Bayshore Palms will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

SEPARATE CHUTES FOR RECYCLABLE WASTE

BICYCLE STANDS

ABC WATERS DESIGN FEATURES

SMART SOLUTIONS

Bayshore Palms will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage
- Smart Pneumatic Waste Conveyance System to optimise the deployment of resources for cleaner and fuss-free waste disposal

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Bayshore Palms residents will be served by bus services, Bayshore MRT station, and the upcoming Bedok South MRT station. The project is located along a Transit Priority Corridor, which is a pedestrian-friendly bus-only street, linked with social and commercial offerings.

Learn more about transport connectivity in this precinct using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltagov/Home/PDF/MTM.pdf>.

CAR-LITE PRECINCT

As announced by LTA and HDB on 5 October 2022, there will be designated car-lite HDB precincts within gazetted Bayshore car-lite areas. These precincts are planned with good public transport, walking, and cycling connections.

Bayshore Palms will be one such car-lite precinct. It is located near Bayshore MRT station and the upcoming Bedok South MRT station within the gazetted Bayshore car-lite area. Designed for residents to adopt green modes of commuting, the parking provision will be reduced to free up space for public facilities and greenery. With more limited parking provision, available lots will be prioritised for residents in these precincts through additional parking demand management measures:

- **Season parking will be reduced and restricted to residents only.** Similar to all other HDB residential carparks, season parking sales will be on a first-come-first-served basis and subject to availability. Residents' 1st car will be accorded higher priority than residents' 2nd and subsequent car(s). As non-residents will not be able to buy season parking within car-lite precincts, they may do so at alternative nearby car parks.
- **Residents who buy season parking for their 2nd and subsequent vehicles will be charged a higher season parking rate** pegged to Tier 2 Restricted Zone rate, subject to availability. Learn more about the tiers for monthly season parking charges at <https://www.hdb.gov.sg/car-parks/season-parking/season-parking/application-procedure> and the current rates.
- **Short-term parking for visitors will remain available, albeit with limited lots.** Parking charges may be adjusted based on demand.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

2-ROOM FLEXI

Available either on a 99-year lease or short-lease

- Floor tiles in the:
 - Bathroom
 - Household shelter
 - Kitchen
- Wall tiles in the:
 - Bathroom
 - Kitchen
- A sliding partition/ door for the bedroom and folding bathroom door
- Water closet suite in the bathroom
- Grab bars (for 2-room Flexi flats on short-leases)

4-ROOM

- Floor tiles in the:
 - Bathrooms
 - Household shelter
 - Kitchen and service yard
- Wall tiles in the:
 - Bathrooms
 - Kitchen
- Water closet suite in the bathrooms

OPTIONAL COMPONENT SCHEME

The Optional Component Scheme (OCS) is an opt-in scheme that provides convenience for our buyers. If you opt-in for OCS, the cost of the optional components will be added to the price of the flat. Please refer to the attached OCS leaflet for details.

LAYOUT IDEAS

WITHOUT LIVING / DINING / BEDROOM FLOOR FINISHES (DEFAULT)

2-ROOM FLEXI (TYPE 1) FLOOR PLAN

(With Suggested furniture layout)

Approx. Floor Area 39sqm

Inclusive of Internal Floor Area of 36sqm and Air-con Ledge

Residential units in Bayshore Palms are designed without beams within the internal spaces (living room and bedrooms), which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

WITH LIVING / DINING / BEDROOM FLOOR FINISHES

2-ROOM FLEXI (TYPE 1) FLOOR PLAN

(With Suggested furniture layout)

Approx. Floor Area 39sqm

Inclusive of Internal Floor Area of 36sqm and Air-con Ledge

Residential units in Bayshore Palms are designed without beams within the internal spaces (living room and bedrooms), which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

The coloured floor plan is not intended to demarcate the boundary of the flat

WITHOUT LIVING / DINING / BEDROOM FLOOR FINISHES (DEFAULT)

2-ROOM FLEXI (TYPE 2) FLOOR PLAN

(With Suggested furniture layout)

Approx. Floor Area 49sqm

Inclusive of Internal Floor Area of 46sqm and Air-con Ledge

Residential units in Bayshore Palms are designed without beams within the internal spaces (living room and bedrooms), which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

To meet different lifestyle needs, the 46sqm 2-room Flexi flats come with a flexible space which flat buyers can use according to their preference. This flexible space can be used for dining, a study or to place an extra bed.

WITH LIVING / DINING / BEDROOM FLOOR FINISHES

2-ROOM FLEXI (TYPE 2) FLOOR PLAN

(With Suggested furniture layout)

Approx. Floor Area 49sqm

Inclusive of Internal Floor Area of 46sqm and Air-con Ledge

Residential units in Bayshore Palms are designed without beams within the internal spaces (living room and bedrooms), which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

The coloured floor plan is not intended to demarcate the boundary of the flat

LAYOUT IDEAS

4-ROOM FLOOR PLAN (With Suggested furniture layout)

Approx. Floor Area 89sqm

Inclusive of Internal Floor Area of 86sqm and
Air-con Ledge

Residential units in Bayshore Palms are designed without beams within the internal spaces (living room and bedrooms), which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

The coloured floor plan is not intended to demarcate the boundary of the flat

We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
- 8) The floor areas shown are scaled strata areas and are subject to final survey.
- 9) The surrounding land use and proposed facilities (including but not limited to their locations, form, massing and/or building heights) as shown in the maps and plans are subject to change and planning approval. They may include ancillary uses allowed under the Urban Redevelopment Authority's prevailing Development Control guidelines. Housing projects may be located near roads, railways, airbases, construction sites and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance.
- 10) We reserve the right to use or allow the use of any:
 - Void deck of any apartment block
 - Car park;
 - Common property (such as precinct pavilion); or
 - Standalone community building,for:
 - Future amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, and day activity centres);
 - Commercial facilities (such as shops and eating houses);
 - Mechanical and electrical rooms; and
 - Such other facilities as we deem fit.
- 11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.
- 12) Without prejudice to the generality of the above, please also refer to "Important Notes" on page 1.

OPTIONAL COMPONENT SCHEME (2-ROOM FLEXI FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want before your flat selection appointment. The cost of the OCS items will be added to the selling price of the selected flat.

All 2-room Flexi flats come with:

- Floor finishes in the bathroom, household shelter, and kitchen
- Wall tiles in the bathroom and kitchen
- Sliding partition / door for bedroom, folding bathroom door
- Water closet suite in the bathroom

Grab bars will be installed for all short-lease flats to assist elderly buyers in moving around the flats

FOR ALL 2-ROOM FLEXI FLATS

PACKAGE 1

- Flooring in the living / dining room and bedroom
- Sliding partition, separating the living room and bedroom

(please refer to the flooring and furnished floor plans of your selected project)

PACKAGE 2

- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

Jul 2024

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY

PACKAGE 3 offers elderly buyers the convenience of having a flat in move-in condition. It comprises:

ELDERLY-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

- Folding door at the flexible space in the 2-room Flexi (Type 2) flats

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

Buyers who opt for Package 3 must select Package 1.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

OPTIONAL COMPONENT SCHEME
