

Chencharu Green

**HDB'S SALES LAUNCH
FEBRUARY 2025**

BTTogether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

CHENCHARU GREEN

Chencharu Green is bounded by Chencharu Link, Bah Soon Pah Road, and Bah Soon Pah Close. The project comprises 4 residential blocks of 15 storeys each, offering 683 units of 2-room Flexi, 4-room, and 5-room flats in total. These flats will be offered as Standard flats under the new flat classification (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>).

Designed in harmony with its green surroundings, Chencharu Green features lush landscaping, a serene rain garden, and a roof garden atop the Multi-Storey Car Park (MSCP). Residents can enjoy a wide array of community spaces which caters to all ages, including playgrounds, fitness stations, and precinct pavilions. Vibrant community living rooms provide comfortable spaces for residents to socialise and connect. A preschool on the first floor of the MSCP block provides added convenience for families with young children.

For a detailed layout of the facilities provided at Chencharu Green, please refer to the site plan. Facilities in this project will be accessible to the public.

ABOUT CHENCHARU

At the heart of Chencharu, an east-west community avenue will connect a new park to the existing neighbourhood park near Khatib MRT. An upcoming mixed-use Integrated Development along this community avenue, will house a new bus interchange, hawker centre, and shops, creating an accessible and lively public space for residents to gather.

Future residents of Chencharu will enjoy enhanced transport connectivity. A new road, Chencharu Link, will run north-south through the centre of the estate, with housing developments and amenities on both sides. This will be a dedicated bus-only corridor to facilitate smoother bus journeys. With the upcoming bus interchange in the proposed Integrated Development, along with the existing Khatib MRT station and bus services along Yishun Avenue 2 and Sembawang Road, residents will have multiple public transport options to get around within, and out of Yishun town. Amenity provisions and transport nodes will also be linked by walking and cycling paths that connect to a wider network beyond Yishun, providing easy access to neighbouring towns like Sembawang, recreation spots such as Khatib Bongsu and Lower Seletar Reservoir, as well as the upcoming North-South Corridor.

YISHUN

 ■ Future Bus-Only Corridor

Notes:

1. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. Proposed Civic & Community Institution includes examples such as Community Centre/Club, Association, etc.
3. Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and Elder care Facilities, etc.
4. Proposed Place of Worship includes examples such as Church, Mosque, Chinese Temple, Hindu Temple, etc.
5. The developments and facilities shown (whether existing or proposed) may:
 - a. Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - (i) Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - (ii) Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - b. Be used as temporary construction sites by the relevant authorities.
6. *As announced by SLA on 8 Sep 2020, a new integrated hub, named Chong Pang City, comprising Chong Pang CC, Chong Pang Hawker Centre and Market, swimming pools, a gymnasium, fitness studios, jogging track and a variety of shops will be constructed at the now demolished Chong Pang CC's and Blk 102's site. The existing Chong Pang Market and Food Centre will be relocated into the new development when it is completed.
7. To support the development of key infrastructure, temporary worker dormitories may be set up near residential areas by relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Chencharu Green will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

**SEPARATE CHUTES
FOR RECYCLABLE
WASTE**

**BICYCLE
STANDS**

**ABC WATERS DESIGN
FEATURES**

SMART SOLUTIONS

Chencharu Green will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage
- Smart Pneumatic Waste Conveyance System to optimise the deployment of resources for cleaner and fuss-free waste disposal

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Chencharu Green residents will be served by bus services and Khatib MRT Station on the North-South Line that connects to nearby towns. Learn more about transport connectivity in this precinct using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltagov/Home/PDF/MTM.pdf>.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

APPLICANTS ARE ENCOURAGED TO VISIT THE PLACE BEFORE BOOKING A FLAT.

- Notes:**
- All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
 - # Subject to design and approvals, the height of the proposed nursing home could be equivalent to a 14-storey block of HDB flats.
 - The developments and facilities shown (whether existing or proposed) may:
 - Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - (i) Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - (ii) Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - Be used as temporary construction sites by the relevant authorities.
 - The use of the void deck in any apartment block, common property (such as precinct pavilion), carpark or stand-alone community building for future amenities/facilities (such as preschools, eldercare facilities, education centres, residents' network centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities, is subject to review from time to time.
 - The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
 - Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.
 - To support the development of key infrastructure, temporary worker dormitories may be set up near residential areas by relevant authorities

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

DISCLAIMER

- 1) HDB owns the copyright in all information, maps, and plans of this brochure.
- 2) The content provided in this brochure should be read in conjunction with the corresponding sales model of this development. All information provided in the brochure and sales model are not intended to form part of any offer or contract for the sale of flats. They are provided for your general information only and are not intended to be, or to be relied upon as, statements or representations of fact, offers or warranties (whether expressly or impliedly) by HDB. At no time should any reliance be placed on the contents of this brochure and information reflected in the corresponding sales model. Any such reliance shall be at the sole risk and discretion of the recipient.
- 3) Visual representations such as pictures, art renderings, depictions, illustrations, photographs, drawings, as well as other graphic representations and references are only artistic impressions. They are provided for your general information only, and are not representations of fact.
- 4) The information on this project, including but not limited to the dimensions, areas, plans, colour schemes, descriptions, and specifications, are subject to change or review without notice at our sole discretion or if required by the relevant authorities.
- 5) We may at any time, without any notice and at our sole discretion, change any aspect of this project, including but not limited to the omission, amalgamation, increase, or reduction of amenities and facilities, colour schemes, design features, and specifications.
- 6) We will not entertain any request for alteration of the layout or specifications of a flat to suit individual needs.
- 7) While reasonable care has been taken in providing the information in this brochure, we do not warrant its accuracy. We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
- 8) The floor areas shown are scaled strata areas and are subject to final survey.
- 9) The surrounding land use and proposed facilities (including but not limited to their locations, form, massing and/or building heights) as shown in the maps and plans are subject to change and planning approval. They may include ancillary uses allowed under the Urban Redevelopment Authority's prevailing Development Control guidelines. Housing projects may be located near roads, railways, airbases, construction sites and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance.
- 10) We reserve the right to use or allow the use of any:

• Void deck of any apartment block

• Car park;

• Common property (such as precinct pavilion); or

• Standalone community building,

for:

• Future amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, and day activity centres);

• Commercial facilities (such as shops and eating houses);

• Mechanical and electrical rooms; and

• Such other facilities as we deem fit.

11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.

12) Without prejudice to the generality of the above, please also refer to "Important Notes" on page 1.

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want before your flat selection appointment. The cost of the OCS items will be added to the selling price of the selected flat.

All 2-room Flexi flats come with:

- Floor finishes in the bathroom, household shelter, and kitchen
- Wall tiles in the bathroom and kitchen
- Sliding partition / door for bedroom, folding bathroom door
- Water closet suite in the bathroom

Grab bars will be installed for all short-lease flats to assist elderly buyers in moving around the flats

FOR ALL 2-ROOM FLEXI FLATS

PACKAGE 1

- Flooring in the living / dining room and bedroom
- Sliding partition, separating the living room and bedroom

(please refer to the flooring and furnished floor plans of your selected project)

PACKAGE 2

- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

May 2025

OPTIONAL COMPONENT SCHEME (2-ROOM FLEXI FLATS)

FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY

PACKAGE 3 offers elderly buyers the convenience of having a flat in move-in condition. It comprises:

ELDERLY-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height
